

Sixth Form Dress Code

At Laude San Pedro, Sixth Form students are role models for the community and are expected to uphold high standards of dress so that students in Years 7-11 follow their example. We are constantly judged on our appearance and, whilst students in the Sixth Form have some freedom to dress in their own clothes, they have a responsibility to set a good example to and command the respect of younger students and the local community. We therefore expect the Sixth Form to maintain consistently high standards of dress.

If we feel that a student is inappropriately dressed we will require the student to return home and change her/his clothes before returning to school. Students should not underestimate the part that appearance plays in both their personal and professional development; thereby demonstrating their commitment to the school by following this dress code. If any student is unsure whether an item of clothing is permitted, they should bring the item with them to school and check with the Head of Secondary/Sixth Form before they wear it during the school day.

In all cases, on matters relating to the dress code, the judgement of senior members of staff is final.
