To whom this may concern,

Our students at Laude San Pedro International College are currently undertaking a programme in conjunction with their academic studies called the Laude Development Award.

They have worked or helped you or your organisation for a set time period to give something back to the community which gives so much to them, and to meet part of the criteria for the Laude Development Award.

Please could you simply complete the information slip below and return it to our student/s as evidence of their work or placement.
