Dear parents,

As a part of the Laude Development Award the school have several excellent links with local charities within our community.

We are arranging many visits and tours of different charities across the year in order to give students a variety of experiences to gain new skills during their two years in Key Stage 4.

Please could you complete the below information slip giving permission for your son/daughter to attend these trip with the supervision of charity volunteers only.

Student Name: _____ Form: _____

I give permission for my son/daughter to attend the charity visit and future visits. I understand that there will be no Laude supervision, but volunteer supervision from the individual charity. I also understand that students attend these visits at their own risk and are responsible for organising lifts to and from the charity visit and to manage their own behaviour when attending the visit.

Parent Name: _____ Parent Signature: _____
